ANNOUNCEMENT

Extension of Abstract Submission Deadline

The Organizing Committee of the **XXX Annual Convention of the Indian Society for Veterinary Immunology and Biotechnology (ISVIB) and International Conference on “Envisioning Livestock Production and Protection under the One Health Landscape” (VIBCON 2025)** is overwhelmed by the positive response and enthusiastic interest received from researchers.

To accommodate numerous requests from the scientific community for additional time to finalize their work and prepare high-quality abstracts, we are pleased to announce a **final extension** for the abstract submission deadline.

New Abstract Submission Deadline: Wednesday, October 15, 2025

Chairman
